## Christmas is Coming

The number of ladies who have thronged our house during the past week and availed themselves of our timely and seasonable reduction of TEN PER CENT on all purchases of boys' and children's clothing, attest strongly the popularity of our methods. They were loud in their admiration of the beautiful styles and odd conceits to be found in our matchless stock. The pleasure we derive from the happiness to which we contributed, and which they took pains to show, amply recompenses us for the loss we sustain financially, through our great reduction of TEN PER CENT from marked prices on all boys' and children's clothing.

In our men's department our strong point is our Superb Stock of Overcoats. We have only space enough left to refer to two kinds in four colors. One is a West of Ingland Kersey in brown and blue; both warranted fast; lined throughout with the finest satin; reduced from \$30 to \$23. The other is a Chinchilla Beaver in gray and brown, also prin-lined, both simply elegant; re- uced from \$25 to \$20. If you no dan overcoat don't delay as
